Dear Mr Pattas

### Access arrangement Amadeus Gas Pipeline – Reference tariff adjustment

This notice updates the previous notice provided to the AER on 20 April 2015 that included an estimated value for the March quarter 2015 CPI.

The Access Arrangement for the Amadeus Gas Pipeline was approved by the Australian Energy Regulator (AER) in July 2011. Pursuant to clause 4.7.2 APT Pipelines (NT) Pty Limited as the Service Provider is to notify the AER of any Reference Tariff variation.

The Reference Tariff from 1 July 2015 will vary from \$0.6983/GJ to \$0.7076/GJ in accordance with the Annual Reference Tariff Adjustment Formula included in the access arrangement.

The Reference Tariff formula has been varied as follows:

$$\text{Reference Tariff}_n = \text{Reference Tariff}_b \times \frac{\text{CPI}_n}{\text{CPI}_b} \times (1 - X)$$

Where

$$\text{Reference Tariff}_b = \$0.6513/\text{GJ for the year 2011/12}$$

$$\text{CPI}_n = 106.8 \text{ actual for the quarter ended 31 March 2015}$$

$$\text{CPI}_b = 98.3 \text{ actual for the quarter ended 31 March 2011 and}$$

$$X = 0$$

Please contact Alexandra Curran, Regulatory Manager on 02 9275 0020 if you have any questions on this Reference Tariff notice.

Yours sincerely
