Dear Mr Bucki

Re: Multinet 2022 Gas Distribution Network Tariff Variation Proposal

The AER has considered this matter and decided, in accordance with the provisions of Multinet's 2018–22 access arrangement, to approve Multinet's proposed tariffs for the period 1 January 2022 to 31 December 2022. The proposed tariffs were submitted to the AER on 5 October 2021.

The proposed tariffs are compliant with the Multinet 2018–22 gas access arrangement. A Statement of Reasons is attached; this Statement will be published on our website in the coming days, alongside this letter and the approved tariff variation proposal.

Should you have any queries, please contact Jayanthi Thennakoon on [REDACTED].

Yours sincerely
