

PART 10 (PRESCRIBED TRANSPARENCY INFORMATION)

EXEMPTION APPLICATION FORM

If you experience any issues with accessibility of this document, please call 1300 585 165 or email AERnonschemeexemptions@aer.gov.au

Instructions

If the pipeline is owned, controlled or operated by a joint venture, please provide an attachment with the legal names and ACN / ABN for each of the entities involved.

Documents required to obtain a Part 10 (Prescribed transparency information) Exemption:

1. Complete Parts A, B and E of this form for new applications.
2. If the application is made by an authorised agent, proof of authority for the agent to act on behalf of named applicants.
3. Attach any additional information/documents that you consider substantiate that the pipeline meets the criteria for the exemption. This should include any information or documents required under any Exemption Guideline published by the AER and in force at the time of application.

If you are the service provider of a non-scheme pipeline that has been previously granted an exemption by the AER under Part 23 of the National Gas Rules (NGR), you will need to apply for a new exemption under Part 10 of the NGR before your exemption under Part 23 expires.

If a pipeline has been previously granted an exemption by the AER and would like the conditions of the exemption to be varied, complete Parts A, C and E of this form.

If a pipeline has been previously granted an exemption by the AER and would like the exemption to be revoked, complete Parts A, D and E of this form.

Applications marked attention Pipeline Administrator, can be submitted:

- electronically to AERnonschemeexemptions@aer.gov.au
- by post to GPO Box 3131, Canberra, ACT 2601

Dissemination of data provided

Data provided in Parts A, B, C and D together with any appendices and attachments will be included on the AER's public register. Part E will not be made public.

The entire application (Parts A, B, C, D and E) together with any appendices and attachments will be kept on file with the AER, including for the purposes of its gas scheme register.

If you have any concerns about information which is to be published on the public register, please contact the AER.

PART 10 (PRESCRIBED TRANSPARENCY INFORMATION)

EXEMPTION APPLICATION FORM

Part A: Common Information

<i>This information will be included in the AER's public register.</i>	
APPLICANT(S) – Service Provider	
Legal Name <i>(if pipeline owned, controlled or operated by a joint venture, please also list all parties to the joint venture in an attachment)</i>	ACN / ABN
AGI Tanami Pty Ltd	622012560
Trading Name <i>(if different to Legal Name)</i>	
Australian Gas Infrastructure Group (AGIG)	
Registered Postal Address	
PO Box Z5267 St Georges Terrace Perth WA 6831	
Normal Business Activity	
Pipeline owner and operator	
PIPELINE SUBJECT TO THIS APPLICATION	
Pipeline Name	Licence Number <i>(if applicable, attach copy of licence)</i>
Tanami Natural Gas Pipeline	PL36
Current Ownership <i>(if a JV provide an attachment with list of entities)</i>	Transmission or Distribution?
As above	Transmission
Location <i>(provide map of location as attachment)</i>	
attached	
Data below this point in this Part is not required for Application to Revoke Exemption	
Construction Details	Length and Diameter
	440km, 8" diameter
Ownership History	Nameplate rating <i>(if transmission pipeline)</i> or Maximum daily capacity <i>(if distribution pipeline)</i>
no changes	13.42 TJ/d
Description <i>(consistent with licence, if applicable)</i>	
The Tanami Pipeline is a transmission pipeline in central Northern Territory. The 8-inch pipeline is 440km in length and has a nameplate capacity of 13.42 TJ per day of natural gas to the gas fired power stations at Granites and Dead Bullock Soak, which power Newmont's gold mine in the remote Tanami desert.	

PART 10 (PRESCRIBED TRANSPARENCY INFORMATION)

EXEMPTION APPLICATION FORM

Part B: New Part 10 exemption information

<i>This information will be included in the AER's public register</i>			
CLASS OF EXEMPTION			
There are 2 categories of exemption:			
Category 1: exemption from the obligation to publish information under Division 2 Subdivision 2 Part 10 of NGR and exemption from the obligation to publish a user access guide (rule 105C(8) Part 11 of NGR) in relation to the pipeline.			
Category 2: exemption from the obligations to publish financial information, historical demand information and a cost allocation methodology under Rule 101D Part 10 of NGR.			
Exemption(s) sought (<i>can be more than one</i>)			
☐	Category 1: The pipeline is not a third-party access pipeline		
☒	Category 2: The pipeline is a single user pipeline or the following criteria apply: a) in the case of a transmission pipeline – the nameplate rating of the pipeline is less than 10 TJ/day; b) in the case of a distribution pipeline – the maximum daily capacity of the pipeline under normal operating conditions is less than 10 TJ/day.		
Have you previously applied for an exemption in relation to this pipeline (including under Part 23 of NGR)?			
☒	Yes	☐ No	If Yes, date of AER letter in response to application 26/9/2018
Any further details and/or list of supporting documents (attached) pertaining to this application:			
Map of Tanami			
I confirm that I have attached all supporting documents to this application; if no, explain			
☒	Yes		
☐	No		
I declare I will notify the AER if circumstances change such that the pipeline no longer qualifies for the exemption			☒ Yes ☐ No

PART 10 (PRESCRIBED TRANSPARENCY INFORMATION)

EXEMPTION APPLICATION FORM

Part C: Variation of condition of existing exemption

This information will be included in the AER's public register

Do you have a current exemption granted under Part 10?

Variations can only be made to existing exemptions which have been granted under Part 10. A service provider granted an exemption under Part 23 cannot use Part C to vary their exemption under Part 23 to an exemption under Part 10.

☐ Yes	☐ No	If Yes, date of AER approval	
------------------------------	-----------------------------	------------------------------	--

Relevant exemption category or categories (*can be more than one*)

☐	Category 1: The pipeline is not a third-party access pipeline
☐	Category 2: The pipeline is a single user pipeline or the following criteria apply: a) in the case of a transmission pipeline – the nameplate rating of the pipeline is less than 10 TJ/day; b) in the case of a distribution pipeline – the maximum daily capacity of the pipeline under normal operating conditions is less than 10 TJ/day.

Detail relevant existing condition(s), or alternatively attach document setting out conditions

--

Reason(s) why the condition(s) should be varied and the proposed variation.
Alternatively attach document with this information.

--

Additional Comments

--

I confirm that I have attached all supporting documents to this application; if no, explain

☐ Yes	
☐ No	

I declare I will notify the AER if circumstances change such that the pipeline no longer qualifies for the exemption

☐	Yes
☐	No

PART 10 (PRESCRIBED TRANSPARENCY INFORMATION)

EXEMPTION APPLICATION FORM

Part D: Revocation of existing exemption

<i>This information will be included in the AER's public register</i>	
Date of AER approval	
Relevant exemption category or categories (<i>can be more than one</i>)	
☐	Category 1: The pipeline is not a third-party access pipeline
☐	Category 2: The pipeline is a single user pipeline or the following criteria apply: a) in the case of a transmission pipeline – the nameplate rating of the pipeline is less than 10 TJ/day; b) in the case of a distribution pipeline – the maximum daily capacity of the pipeline under normal operating conditions is less than 10 TJ/day.
Explain why the exemption should be revoked	
Additional Comments	
I confirm that I have attached all supporting documents to this application; if no, explain	
☐ Yes	
☐ No
