Dear [REDACTED],

Re: Part 10 exemption – Dalby Reticulated Gas Network

I refer to your application dated 16 November 2023 for exemptions under Part 10 of the National Gas Rules (NGR) for the Dalby reticulated gas network.

The AER has assessed the application and supporting information and has determined to grant exemptions under Category 1 and Category 2 of Part 10 of the NGR. These exemptions are valid for 5 years from the date of this letter i.e., 1 March 2029.

As required by NGR rule 102(7), please notify the AER if circumstances change such that the pipeline no longer qualifies for the exemption.

Rule 102(6) requires the AER to maintain a public register of Part 10 exemptions. Barring personal information, details in your submitted Part 10 application form and responses in your emails may be published on the register along with this response.

Please contact [REDACTED] if we can assist further.

Yours sincerely
