## **Statement of reasons: Amadeus Gas Pipeline Annual Tariff Variation**

The AER approves Amadeus Gas Pipeline's 2025–26 tariff variation notice which contains tariffs that will commence on 1 July 2025. Amadeus Gas Pipeline's approved tariffs are set out on [our website](#).

In 2025–26, Amadeus Gas Pipeline's transmission reference tariffs will increase by 5.5%. The transmission tariff increases are driven by inflation and the real price path set in the 2021–26 access arrangement.

The AER found that the tariff variation is consistent with the mechanisms set in Chapter 4 of its 2021–26 access arrangement and is satisfied the tariff variation proposal is consistent with the access arrangement.
