

NOTICE OF EXTENSION TO PUBLICATION OF FINAL REPORT – NETWORK EXEMPTIONS GUIDELINE

This notice informs all parties that the AER is extending the date for publishing its final decision on the Network Exemptions Guidelines under clause 8.9.2(d) of the National Electricity Rules.

This extension of time is required to consider and assess the complexity of issues and feedback received from stakeholders on the matters under consultation.

The revised date to publish the final report is expected to be 29 August 2025.
