Dear [REDACTED]

**Re: Part 10 exemptions applications**

I refer to your Category 1 Part 10 exemption applications dated 5 June 2025 for the:

- Churchie Pipeline;
- Silver Springs to Wallumbilla Pipeline; and
- Waggamba Pipeline.

Pursuant to the delegation given to me by the AER Board, I have assessed the applications and supporting information and have determined to grant exemptions under Category 1 of Part 10 of the National Gas Rules (NGR) for the pipelines listed above to OGT Energy Pty Ltd. These exemptions are valid for 5 years from the date of this letter i.e., 1 August 2030.

As required by NGR rule 102(7), please notify the AER if circumstances change such that the pipeline no longer qualifies for the exemption.

Rule 102(6) requires the AER to maintain a public register of Part 10 exemptions. Barring personal information, details in your submitted Part 10 application form and responses in your emails may be published on the register along with this response.

Please contact [REDACTED] if we can assist further.

Yours sincerely

[REDACTED]
