Dear Ms Wilcox

Re: Extension of time limits for Evoenergy access arrangement review 2026–31

The Australian Energy Regulator (AER) will publish its draft decision on Evoenergy's 2026-31 access arrangement proposal on 28 November 2025. Evoenergy's revised proposal is due by 14 January 2026. Stakeholder submissions on the revised proposal will be invited by 13 February 2026.

Pursuant to rule 11(1)(c) of the National Gas Rules, the AER has made a decision to disregard the periods allowed for submissions on Evoenergy's access arrangement proposal, the AER's draft decision and Evoenergy's revised proposal, so that these will not be counted towards the decision-making time for the AER's final decision on this access arrangement.

We expect to release that final decision by 15 May 2026. This notice is given pursuant to rule 11(2)(a) of the National Gas Rules and will be published on the AER website as required by rule 11(2)(b).

If you have any queries about this matter, please contact Meg Zerafa at:
