Dear Ms Lindsay

**Re: Extension of time limits for APTNT's Amadeus Gas Pipeline access arrangement review 2026–31**

The Australian Energy Regulator (AER) will publish its draft decision on the Amadeus Gas Pipeline's 2026–31 access arrangement proposal on 28 November 2025. Amadeus Gas Pipeline's revised proposal is due by 14 January 2026. Stakeholder submissions on the revised proposal will be invited by 13 February 2026.

Pursuant to rule 11(1)(c) of the National Gas Rules, the AER has made a decision to disregard the periods allowed for submissions on the Amadeus Gas Pipeline's access arrangement proposal, the AER's draft decision and APTNT's revised proposal for the Amadeus Gas Pipeline, so that these will not be counted towards the decision-making time for the AER's final decision on this access arrangement.

We expect to release that final decision by 15 May 2026. This notice is given pursuant to rule 11(2)(a) of the National Gas Rules and will be published on the AER website as required by rule 11(2)(b).

If you have any queries about this matter, please contact Meg Zerafa at:
