

Confidentiality Claims

Title, page and paragraph number of document containing the confidential information	Description of the confidential information.	Topic the confidential information relates to (e.g. Capex, Opex, the rate of return etc.)	Identify the recognised confidentiality category that the confidential information falls within.	Provide a brief explanation of why the confidential information falls into the selected category. If information falls within 'other' please provide further details on why the information should be treated as confidential.	Specify reasons supporting how and why detriment would be caused from disclosing the confidential information.	Provide any reasons supporting why the identified detriment is not outweighed by the public benefit (especially public benefits such as the effect on the long term interests of customers).
NWTD Stage 1 Contingent Project Application – Construction – A.1 Principal Application – 31 October 2025.pdf						
Section 2.7, Funding sources and concessional finance, page 29-30	Commercial information	Rate of return	Market sensitive cost inputs	Commercial information related to financing negotiations currently in progress.	If published this information could have an impact on TasNetworks' ability to negotiate financing arrangements. If the inputs are published these will impact TasNetworks' ability to deliver the lowest possible costs. Both these impacts will be detrimental to customers' interests.	We are not aware of any benefit in publicly disclosing this information that could outweigh the detriment.
Section 2.7, CESS rate post cap, page 31	Commercial information	Rate of return	Market sensitive cost inputs	Commercial information related to financing negotiations currently in progress.	If published this information could have an impact on TasNetworks' ability to negotiate financing arrangements. If the inputs are published these will impact TasNetworks' ability to deliver the lowest possible costs. Both these impacts will be detrimental to customers' interests.	We are not aware of any benefit in publicly disclosing this information that could outweigh the detriment.
