Dear 

**Re: Part 23 exemption - GLNG Lateral pipeline Fairview PPL 164**

I refer to your application dated 31 January 2018 for an exemption under Part 23 of the National Gas Rules (NGR) for the GLNG Lateral pipeline Fairview PPL 164.

The AER has assessed the application and supporting information and has determined to grant exemptions under Category 1 and Category 2, the exemptions to expire five years from the date of this letter.

As required by NGR rule 585(8), please notify the AER if circumstances change such that the pipeline no longer qualifies for the exemption.

Rule 585 requires the AER to maintain a public register of Part 23 exemptions. Fields marked with a (\*) in your application of 31 January 2018 will be published on the register along with this response.

Please contact me  if we can assist further.

Yours sincerely
