Powerlink 2027-32 Revenue Proposal

Appendix 1.05

Document Register

Document Register
Powerlink 2027-32 Revenue Proposal

In accordance with clause 4.2.1(d) & (e) of the Reset RIN, the following table outlines each document provided in or as part of Powerlink's 2027-32 Revenue Proposal.

4.2.1:

- (d) a table that references each document provided in or as part of the revenue proposal or proposed pricing methodology and its relationship to other documents provided; and
- (e) each document identified in paragraph 1.6(d) must be given a meaningful filename in the form:
Powerlink – [Author] – [Title] – [Date] – [Public/Confidential], where:
 - (i) *Author is the author of the file if not Powerlink, for example a consultant or other third party;*
 - (ii) *Title provides a meaningful description of the content of document, with limited reliance on acronyms or cross references, for example “Appendix 1A” is not meaningful, but “Appendix 1A – Cost allocation method” is;*
 - (iii) *Date is a relevant date associated with the file, generally the date the document was created; and*
 - (iv) *Public/confidential identifies if the file in its entirety can be published (public); or if it contains any information which is the subject of a claim for confidentiality in accordance with this notice (confidential).*
