

I, Bronwyn Weir, am an officer of APT Petroleum Pipelines Pty Limited and I verify, consistent with clause 4.5.7 of the Roma Brisbane pipeline Access Arrangement for 1 July 2022 to 30 June 2027, that the costs of the Queensland Government's "Annual Fee for National Energy Market Reg 2025-26" are net of any payments made by an insurer or third party which partially or wholly offsets the financial impact of that event.
