1. Confidentiality Claims

This document sets out Transgrid's confidentiality claims for Application for the AER to make a determination regarding the System Security Operability Contingent Project Application in accordance with Australian Energy Regulator's Confidentiality Guideline 2017.

Title, page and paragraph number (i.e. section and page number)	Description of the confidential information	Topic of the confidential information	Confidentiality category	Why the confidential information falls into the selected category	How and why detriment would be caused from disclosing the confidential information	Why the identified detriment is not outweighed by the public benefit
Contingent Project Application Section 3.2.1, pp30-32.	Vendor names, prices, and tender details.	Vendor names	Market sensitive cost inputs	Includes market sensitive information, specifically the names of selected vendors and the scope of their requests for information. Disclosing these would affect Transgrid's future competitive tension when tendering works.	Could influence Transgrid's ability to obtain competitive prices in future tender processes.	We are not aware of any public benefit in publicly disclosing this information that could outweigh the detriment.
A.4 CEO Letter	Signatures and contact details	Personally identifying information	Personal information	This is personally identifying information.	Transgrid considers this information sensitive.	We are not aware of any public benefit in publicly disclosing this information that could outweigh the detriment.
A.5 Capex Forecast Model, 'Inputs' Sheet, Cells A49:A61, A73:A91	Competitive cost categories.	Market sensitive cost inputs	Market sensitive cost inputs	This information would allow suppliers to determine the scope with sufficient detail to reduce Transgrid's ability to negotiate suitable contracts.	Could influence Transgrid's ability to obtain competitive prices in future tender processes.	We are not aware of any public benefit in publicly disclosing this information that could outweigh the detriment.
