Dear Paul Bresloff-Barry

Agora Gas Pty Limited application for gas retailer authorisation

Pursuant to the delegation given to me by the Australian Energy Regulator (AER), I have assessed Agora Gas Pty Limited's (Agora Gas) application for a gas retailer authorisation and am satisfied that it complies with the requirements of section 92 of the National Energy Retail Law (Retail Law).

I advise that Agora Gas's application for gas retailer authorisation is approved.

The AER must grant an application for a retailer authorisation if an applicant has satisfied the entry criteria:

- a) the organisational and technical capacity criterion—the applicant must have the necessary organisational and technical capacity to meet the obligations of a retailer;
- b) the financial resources criterion—the applicant must have resources or access to resources so that it will have the financial viability and financial capacity to meet the obligations of a retailer; and
- c) the suitability criterion—the applicant must be a suitable person to hold a retailer authorisation.¹

In making its decision the AER is guided by the objective of the Retail Law.² The AER's decision is also informed by the assessment approach outlined in the AER's Retailer Authorisation Guideline. The AER consulted on Agora Gas's application and did not receive any submissions.³

The AER considers that Agora Gas has demonstrated its capacity and suitability to operate as an energy retailer under the Retail Law. Agora Gas is therefore authorised to sell gas under the Retail Law, as it is adopted in each participating jurisdiction (identification number:

¹ Retail Law, s. 90(1).

² The national energy retail objective is to 'promote efficient investment in and efficient operation and use of energy services for the long term interests of energy consumers with respect to price, quality, safety, reliability and security of supply of energy' (Retail Law, s.13).

³ Retail Law, s.91.

G26001). Please note this letter constitutes the AER issuing Agora Gas's gas retailer authorisation under section 96 of the Retail Law.

The AER will publish a notice about Agora Gas's retailer authorisation on its website,⁴ and its details will also appear on the AER's public register of authorised retailers (on the AER's website).⁵

If you have any further queries, or would like to discuss this further, please contact Neil Unantenne on 07 3835 4624.

Yours sincerely
