

NOTICE OF EXTENSION TO PUBLICATION OF DRAFT REPORT – CUSTOMER EXPORT CURTAILMENT VALUE (CECV) METHODOLOGY REVIEW

This notice informs all parties that the AER is extending the date for publishing its draft report on the CECV Methodology Review under clause 8.9.2(d) of the National Electricity Rules.

This extension of time is required to consider and assess the complexity of issues and feedback received from stakeholders on the matters under consultation.

The revised date to publish the draft report is expected to be 26 February 2027.
