

Table of comparative confidentiality claims

This table sets out the comparative proportion of material in the revised regulatory proposal that is subject to any claim of confidentiality compared to that which is subject to claims of confidentiality in the revised regulatory proposals of other distribution and transmission network service providers. This is a requirement of clauses [6.10.3\(c1\)](#) and [6A.12.3\(e1\)](#) of the National Electricity Rules for distribution and transmission networks, respectively.
