3P ENERGY – APPLICATION TO AER – SUBMISSION BY CER

Dear Saraj,

Thank you for your email of yesterday which included the public submission from the Clean Energy Regulator (CER). I refer also to our phone discussion yesterday and your email earlier today.

I acknowledge that 3P Energy Pty Ltd (3P Energy) and I have received and reviewed the CER's public submission and neither 3P Energy nor I have any comments in relation to the submission.

I also acknowledge that the AER will publish this letter on 3P Energy's authorisation webpage on the AER website.

Yours faithfully

Stewart Jackson
