**2 Compliance with Regulatory Instruments****2.1 Regulatory Instruments to take Precedence**

- (a) In the event of any inconsistency between:
- (1) a party's obligations or rights under a Regulatory Instrument; and
  - (2) its obligations or rights under this Agreement,
- its obligations and rights under the Regulatory Instrument shall take precedence to the extent of the inconsistency.
- (b) Where this Agreement contains provisions which regulate a matter in greater detail than the provisions of a Regulatory Instrument then the provisions of this Agreement will not be taken to be inconsistent merely by reason of the inclusion of that additional detail and the provisions of this Agreement will continue to apply to that matter to the extent permitted by the terms of the Regulatory Instrument.

**2.2 Parties Must Comply with Regulatory Instruments**

Notwithstanding any other provision of this Agreement, each party will comply with the obligations imposed on that party by the Regulatory Instruments.

**2.3 Parties Must Co-operate**

Each party will:

- (a) give to the other party all reasonable assistance; and
- (b) co-operate with the other party,

so as to allow that other party to comply with any obligations imposed upon that other party under this Agreement or by a Regulatory Instrument.

**2.4 Preservation of Rights**

Nothing in this Agreement will limit any right either party may have under a Regulatory Instrument unless the Regulatory Instrument permits that right to be limited by agreement, and this Agreement directly or indirectly limits that right.

**2.5 Waiver of Compliance**

- (a) Notwithstanding clauses 2.1 to 2.4 (inclusive), if:
- (1) a party has been excused from strict compliance with any aspect of a Regulatory Instrument; or
  - (2) the application of a Regulatory Instrument to a party has been varied,
- by express written consent from the Authority responsible for enforcing that aspect of the Regulatory Instrument, the relevant party will not be obliged under this Agreement to comply with that aspect of the Regulatory Instrument to the extent of the consent.
- (b) A party who has received a written consent described in clause 2.5(a) must provide to the other party a copy of any such consent if that consent is likely to affect the performance of that party's obligations under this Agreement.

**2.6 Regulatory Relief**

For the purposes of this Agreement, a party shall not have breached the terms of a Regulatory Instrument if it has acted:

- (a) under the direction of a relevant Authority; or
- (b) in accordance with the terms of any relief from compliance granted in writing by a relevant Authority.

**Gas Access Arrangement Revision 2013-2017**

**3 Customer Relationship**

- (a) Notwithstanding the existence of the Deemed Contract, the parties agree that the Service Provider will provide the Distribution Services to the User in respect of each Customer except in respect of a Distribution Service which meets the criteria in both paragraphs (1) and (2) below:
- (1) the Customer has contracted with the Service Provider to obtain that Distribution Service directly from the Service Provider; and
  - (2) the Customer has agreed with the Service Provider to directly pay the Service Provider for that Distribution Service (and the terms of the relevant Regulatory Instruments permit the Customer to pay the Service Provider directly for that Distribution Service).
- (b) Where clauses (3)(a)(1) and 3(a)(2) cease to apply in respect of a Distribution Service and a Customer then from that time the Service Provider will, under this Agreement, provide that Distribution Service to the User in respect of that Customer.

**4 Distribution Services****4.1 Provision of Distribution Services**

- (a) Subject to the User providing or substituting credit support as required under clause 7.8 or as may be required by Regulatory Instruments (including Division 4 of Part 21 of the National Gas Rules ("Credit Support Regime")), the Service Provider will, subject to clause 3, provide to the User in relation to each Customer the Distribution Services in accordance with:
- (1) good gas industry practice; and
  - (2) the terms and conditions of this Agreement.
- (b) In respect of each Customer, this Agreement applies:
- (1) from and including the date that the User requests (or is deemed under clause 4.2 to have requested) the provision of the Distribution Services in respect of the Customer (or any later date nominated by the User in any such request); and
  - (2) subject to clause 12, until and including the earlier of the dates described in clause 4.3(a) or 4.3(b) in relation to that Customer or, if clause 4.3(c) applies to the Customer, the date that the Customer is no longer entitled to be Reconnected by a User under the Energy Retail Code.
- (c) The parties acknowledge that the amounts payable by the User under this Agreement for the provision of the Distribution Services are distribution service charges for the purposes of Part 21 of the National Gas Rules ("Retail support obligations between distributors and retailers").

**4.2 Deemed Request for Distribution Services**

The User shall be deemed to have requested the Service Provider to provide Distribution Services in respect of a person whilst that person is a Customer.

**4.3 Cessation of Provision of Distribution Services**

The Service Provider shall cease to provide the Distribution Services to the User in respect of a Customer upon the first to occur of:

- (a) the time at which AEMO transfers financial responsibility for the Customer's MIRN from the User to another Gas Retailer or to the Customer directly;
- (b) the date agreed between the User and the Service Provider for the purposes of this clause 4.3, on which the Customer ceases to, or ceases to be entitled to, receive Supply

---

- in respect of that Distribution Supply Point, which may or may not include Disconnection;  
or
- (c) the date on which the Service Provider, following request by the User, removes its Metering Installation relating to the Customer's Distribution Supply Point.

**4.4 Entitlement to Refuse Service**

- (a) Nothing in this Agreement requires the Service Provider to provide Distribution Services in respect of a Customer in circumstances where a Regulatory Instrument requires or permits the Service Provider to refuse to provide Distribution Services.
- (b) Without limiting clause 4.4(a) the Service Provider is not liable for any failure (whether in whole or in part) to provide Distribution Services in respect of a Customer where that Customer has not complied with the terms of any contract it has with the Service Provider or requirements of Regulatory Instruments and as a result of that non-compliance the Service Provider is entitled, by virtue of that contract or those Regulatory Instruments, to suspend, curtail or not provide services to that Customer.
- (c) The Service Provider is not obliged to provide Distribution Services if the Gas which the User seeks to inject into or withdraw from the Distribution System:
- (1) does not meet the Specifications; or
  - (2) contains any material or has properties that the Service Provider reasonably believes may be deleterious to the Distribution System or to the operation of the Distribution System,

and if Gas is delivered into the Distribution System whether by the User or another person which is Gas to which paragraphs (1) or (2) above applies then the Service Provider may curtail or interrupt the provision of Distribution Services, flare or release Gas or take whatever other steps the Service Provider considers necessary or desirable to ensure that Gas within the Distribution System meets the Specifications, does not contain deleterious material or properties and does not present a threat to any person or property.

- (d) The Service Provider will notify the User as soon as reasonably practicable if the Service Provider becomes aware that the Gas of the type referred to in 4.4(c) is being injected.
- (e) The Service Provider is not obliged to provide the Distribution Services if the User has not made payment of monies due under this Agreement:
- (1) within 7 days of receipt of a notice of default issued by the Service Provider under clause 12.2(a); and
  - (2) has not issued a notice of dispute under clause 14.2 in relation to that payment or disputed its liability to make that payment in accordance with relevant Regulatory Instruments.

**4.5 Suspension for Supplier of Last Resort**

- (a) If a person commences to act as "supplier of last resort" (as that concept is used in the GIA) or a "ROLR" (as that concept is used in the National Energy Retail Law) in respect of one or more Customers of the User then the Service Provider may suspend the provision of Distribution Services to the User in respect of those Customers under this Agreement and may take such action as the Service Provider considers is required to effect such suspension.
- (b) Where pursuant to clause (a) the Service Provider suspends the provision of Distribution Services to the User in respect of all existing Customers of the User, the Service Provider has no further obligation to provide Distribution Services to the User, and the User must not take any steps to seek to obtain or utilise such Distribution Services, until the User has:

---

**Gas Access Arrangement Revision 2013-2017**

---

- (1) paid to the Service Provider all amounts accrued due to the Service Provider but unpaid; and
  - (2) provided to the Service Provider any credit support required by clause 7.8 or as may be required by Regulatory Instruments; and
  - (3) otherwise satisfied the Service Provider (acting reasonably) the User is solvent and will be able to comply with its obligations under this Agreement.
- (c) If the User commences to act as “supplier of last resort” (as that concept is used in the GIA) or a “ROLR” (as that concept is used in the National Energy Retail Law) in respect of a person who is an end-user of Gas then, subject to any provisions to the contrary in Regulatory Instruments, for the period in which the User so acts as supplier of last resort or ROLR that end-user will be treated as a Customer of the User for the purposes of this Agreement.
- (d) The references in this clause 4.5 to a person or the User commencing to act are to the person or User commencing to act in respect of a specific RoLR event (as that term is used in the National Energy Retail Law) or trigger event (as that term is used in the GIA) (as compared to a person or the User being appointed to act as RoLR or supplier of last resort should future RoLR or trigger events (as applicable) occur).

**4.6 Conditions of Supply**

- (a) The User does not (and must not represent to any other person that the User or any other person can) acquire any right or title to, or interest in, the Distribution System or any part of the Distribution System under this Agreement.
- (b) The Service Provider does not dedicate any particular portion of the Distribution System to the Distribution Services provided to the User.
- (c) The Service Provider is not responsible for purchasing or arranging the transportation of Gas to a Transfer Point on behalf of the User.
- (d) If the relevant portion of the Distribution System is capable of delivering a Quantity of Gas to a Distribution Supply Point that exceeds Customer MHQ for that Distribution Supply Point, the Service Provider may agree with the User to allow withdrawal of that Quantity of Gas at a Distribution Supply Point and the Service Provider shall not unreasonably withhold such approval.
- (e) The Service Provider may co-mingle Gas injected into the Distribution System by the User with Gas injected into the Distribution System by any other person.
- (f) The User acknowledges and accepts that the quality of Gas delivered to a Customer at a Distribution Supply Point may not match the quality of the Gas injected into the Distribution System by the User.

**4.7 The User's Obligations/Capacity Management**

Unless otherwise agreed in advance with the Service Provider, the User must:

- (a) to the extent that such matters are within the User's reasonable control, take all reasonable actions to ensure that the volume or pressure of Gas delivered to a Transfer Point does not exceed the physical design capabilities of the Metering Installation at that Transfer Point, as advised to the User by the Service Provider;
- (b) pay for any damage caused to the Distribution System, where, and to the extent that, the Distribution System has been damaged as a result of the failure of the User to comply with clause 4.7(a). To the extent that any damage caused to the Distribution System is attributable to two or more causes, one of which is the failure by the User to comply with clause 4.7(a), payment for such damage will be apportioned accordingly;
- (c) ensure that Gas injected into the Distribution System on its behalf complies with the Specifications and the User indemnifies the Service Provider and holds it harmless against any loss, liability, damage, claim, action, proceeding, cost and expense suffered

or incurred by or made or brought against the Service Provider in consequence of any breach by the User of this condition; and

- (d) except where the Service Provider has given its permission to the User under clause 4.6(d), ensure that each of its Customers does not withdraw a Quantity of Gas at a Distribution Supply Point in any hour which exceeds its Customer MHQ at that Distribution Supply Point.

### 4.8 Title to Gas

- (a) At all times, the User must ensure it has good title to Gas it causes to be injected into the Distribution System free and clear of all liens, encumbrances and claims of a nature inconsistent with the Service Provider's operation of the Distribution System and the User indemnifies the Service Provider and holds it harmless against any loss, liability, damage, claim, action, proceeding, cost and expense suffered or incurred by or made or brought against the Service Provider in consequence of any breach by the User of this condition.

### 4.9 Custody and Control of Gas

- (a) Custody and control of Gas injected into the Distribution System at a Transfer Point by the User passes to the Service Provider at that Transfer Point.
- (b) The Service Provider ceases to have custody and control of Gas when it is withdrawn from the Distribution System at a Distribution Supply Point.

### 4.10 Unaccounted for Gas

- (a) The User accepts risk of loss of all Gas injected by it into the Distribution System and the Service Provider is not liable to the User for Unaccounted for Gas other than as provided for in this clause 4.10.
- (b) The parties acknowledge that in accordance with Rule 317 of the National Gas Rules and the Distribution UAFG Procedures made pursuant to that rule (and in accordance with any other relevant Regulatory Instruments from time to time) AEMO will from time to time calculate the amounts (if any) payable by the User to the Service Provider or by the Service Provider to the User on account of Unaccounted for Gas (**Reconciliation Amounts**).
- (c) Subject to any provisions to the contrary in Regulatory Instruments, the party liable to pay a Reconciliation Amount must pay that Reconciliation Amount to the other party within 30 days of being notified by AEMO that such amount is payable.
- (d) If a Reconciliation Amount is not paid in full in accordance with this clause 4.10 (c) or, where the time by which the amount is payable is set by a Regulatory Instrument, not paid in full by the time required by that Regulatory Instrument, the party who has failed to make the payment must pay interest on the outstanding amount from the day that the Reconciliation Amount was due for payment until payment in full of the Reconciliation Amount plus all accrued interest. Interest will be calculated at the Default Rate applicable on the first day of the month in which the invoice was issued and will be capitalised on the first day of each following month and calculated on actual days elapsed and a 365 day year.

## 5 Connection

- (a) In this clause 5 "Connection" includes "Energisation" but not Re-connection.
- (b) If the User receives a request for Connection from a prospective Customer, the User must submit to the Service Provider a Connection Request in respect of the prospective Customer without delay, and, except to the extent relevant Regulatory Instruments allow a later time for submission of the Connection Request, no later than the next Business Day following receipt of the prospective Customer's request for Connection.

- (c) The User will provide to the Service Provider any information reasonably required by the Service Provider for the purposes of effecting the Connection. Without limiting the information required from a User under this clause 5(c), such information will include the information described in clause 9.4(a) (Customer details) and clause 9.5 (new Distribution Supply Point information).

## **6 Disconnection, Interruption and Curtailment of Customers**

### **6.1 Disconnection and Curtailment**

- (a) The User acknowledges that in addition to the Service Provider's rights under clauses 6.2 and 6.3 the Service Provider may:
- (1) Disconnect; or
  - (2) Curtail or Interrupt,  
a Distribution Supply Point in:
    - (3) an Emergency; or
    - (4) in accordance with the Distribution System Code, the National Energy Retail Law and National Energy Retail Rules and any other applicable Regulatory Instruments; or
    - (5) circumstances where a direction or order to do so is issued to the Service Provider by an Authority and the Service Provider reasonably believes it is required to comply with that direction or order; or
    - (6) in respect of a Customer, in accordance with the terms of any contract between the Service Provider and that Customer.
- (b) If the Service Provider can choose which Distribution Supply Points it will Curtail, Interrupt or Disconnect, or the order in which it can Curtail, Interrupt or Disconnect Distribution Supply Points, then the Service Provider will, acting reasonably, determine the Distribution Supply Points to be Curtailed, Interrupted or Disconnected and that order in such manner as it considers appropriate having regard to the relevant circumstances known to the Service Provider.

provision of the Distribution Services in respect of the Customer, and be liable to pay to the User the costs incurred by the User in connection with the consumption of Gas by the Customer, provided that:

- (1) this will not render the Service Provider the retailer of the Customer; and
  - (2) the User has exercised all reasonable endeavours to recover the relevant Charges and consumption costs and has been unable to recover those costs directly from the Customer.
- (d) If the User subsequently recovers from the Customer all or any part of any amount which the Service Provider has waived or paid under this clause 6.2(c), the User must promptly pay that recovered amount to the Service Provider.

- (g) Except as provided to the contrary in applicable Regulatory Instruments, the Service Provider may refuse to Disconnect a Distribution Supply Point where the Service Provider reasonably considers that:
- (1) such Disconnection would be detrimental to the health or safety of any person (including the Customer) or the security of the Distribution System; or
  - (2) the User has issued a Disconnection Request in breach of the Regulatory Instruments; or
  - (3) due to threats made against the Service Provider's personnel or other matters at the relevant premises (for example dogs) it is not safe (in the Service Provider's reasonable opinion) for the Service Provider's personnel to undertake the Disconnection.

In the case of clause 6.2(g)(1) or clause 6.2(g)(3), the Service Provider will use reasonable endeavours to remove or mitigate the risk of detriment or safety issue. In each case under this clause 6.2(g), the Service Provider must notify the User of the reasons for its refusal to Disconnect without delay.

- (h) Where the Service Provider refuses to Disconnect, or delays or defers Disconnection of, a Customer on any of the grounds set out in clause 6.2(f) or 6.2(g), the User will continue to be liable for the Charges in respect of the provision of the Distribution Services in respect of the Customer and the consumption of Gas by the Customer and clause 6.2(c) does not apply to the Service Provider in such instances.
- (i) By providing a Disconnection Request to the Service Provider, the User represents and warrants to the Service Provider that the User:
- (1) is entitled to make a request for Disconnection under its Retail Contract with the Customer and under any applicable Regulatory Instruments; and
  - (2) it has complied with the procedures for Disconnection prescribed in that contract and any other procedures under the Regulatory Instruments.
- (j) The User shall indemnify the Service Provider against all Claims arising from, or incurred by or made or brought against the Service Provider as a consequence of any Disconnection by the Service Provider of a Customer pursuant to a Disconnection Request, except to the extent that the Claim arises from the negligent or reckless act or omission of the Service Provider or from any breach or non-observance by the Service Provider of this Agreement or the Regulatory Instruments.

The Service Provider may suggest to such person that they approach the User where the Service Provider reasonably considers the User may be able to more readily identify the person.

  - (3) subject to clause 7.6(b), the Service Provider must credit that amount to the next invoice that it issues to the User under this Agreement.
- (b) If:

  - (2) as a result of that delay, the Service Provider is required to make a payment to a Customer as a result of failing to satisfy a Guaranteed Service Level,
- then the User must either:
- (i) reimburse the Service Provider for the payment made to the Customer; or
  - (ii) if requested by the Service Provider, on behalf of the Service Provider, pay the required payment to the Customer or credit that amount to the Customer's next bill,
- and the Service Provider is not required to reimburse or credit the User for that amount.
- (c) A User must notify a Service Provider where it is aware that the Service Provider is required to make a Guaranteed Service Level payment to a Customer under the Regulatory Instruments.
  - (d) The Service Provider must notify the User where it makes a Guaranteed Service Level payment directly to a Customer under the Regulatory Instruments.

**7.7 Disputed Invoices**

- (a) A party in receipt of an invoice ("**Disputing Party**") must notify the party which issued the invoice ("**Invoicing Party**") not less than 2 Business Days before the due date for payment of an invoice under clauses 7.2 or 7.4 ("**Notice of Dispute**") if it disputes its obligation under this Agreement to pay all or part of that invoice ("**Disputed Invoice**") and must include in that notice its grounds for disputing the Disputed Invoice and the amount disputed.
  - (b) Unless the Disputing Party gives a Notice of Dispute to the Invoicing Party, the Disputing Party must pay the Disputed Invoice in full, subject to its right to seek a subsequent adjustment under clause 7.5 (adjustment of invoices) or to dispute the amount of the invoice under clause 7.7(d) after the invoice has been paid in full.
  - (c) If the Disputing Party notifies the Invoicing Party of a Disputed Invoice under a Notice of Dispute, the parties will seek to resolve that dispute in accordance with clause 7.7(d), and the Disputing Party will be required to pay the amount of the invoice not genuinely disputed by the Disputing Party.
  - (d) Any dispute as to an invoice shall be resolved in accordance with this clause and neither party may refer the dispute to the dispute resolution procedure under clause 14 until the parties have satisfied paragraph (1) of this clause 7.7(d) and, if applicable, paragraph (2) of this clause 7.7(d).
- The Invoicing Party will:
- (1) discuss with the Disputing Party any queries that the Disputing Party may have in relation to an invoice; and
  - (2) if it receives a reasonable request in writing from the Disputing Party within 10 Business Days after receipt of the invoice setting out the grounds giving rise to the request, conduct an internal review of the invoice within 10 Business Days after receipt of the request, and report its findings to the Disputing Party as soon as practicable after completion of that review.

## Gas Access Arrangement Revision 2013-2017

If the matter is not resolved within 2 Business Days from the receipt by the Disputing Party of the Invoicing Party's report under clause 7.7(d)(2), either party may refer it to dispute resolution under clause 14.

- (e) If, following the resolution of a dispute in accordance with clause 7.7(d) or clause 14, it is determined that the amount that is properly due to the Invoicing Party in relation to that invoice is:
- (1) more than the amount already paid by the Disputing Party, then the Disputing Party must pay within 3 Business Days to the Invoicing Party the difference between the amount already paid and the amount determined to be payable, together with interest on that amount for the period of the underpayment;
  - (2) less than the amount already paid by the Disputing Party, then the Invoicing Party must pay within 3 Business Days to the Disputing Party the difference between the amount already paid and the amount determined to be payable, together with interest on that amount for the period of the overpayment,

provided that if the parties agree any required adjustment between the parties to reflect resolution of the dispute may instead be made by an adjustment to a subsequent invoice issued under this Agreement.

- (f) Interest on the difference payable under clause 7.7(e) shall be calculated at the Default Rate applicable on the first day of each month, capitalised on the first day of each month and calculated on actual days elapsed and a 365 day year for each day after that invoice was due to be paid up to and including the date the difference and any accrued interest payable under this clause 7.7(f) (if any) is paid.
- (g) Unless the parties otherwise agree, no party may set off or deduct any money which it owes to the other party against any money which the other party owes to the first party.
- (h) The payment by the Disputing Party of all or part of an invoice from the Invoicing Party (whether or not that invoice was disputed by the Disputing Party at the time) will not preclude the Disputing Party from subsequently challenging its liability to pay that invoice in accordance with this clause 7.7 or a part of that invoice (unless the challenge relates to a dispute which has already been finally determined in accordance with this clause 7.7).
- (i) Where a provision of a relevant Regulatory Instrument (including if in operation Division 3 of Part 21 of the National Gas Rules ("Other general billing and payment matters")) regulates the process for disputing invoices issued under this Agreement, then that process will apply in place of the process set out in clauses 7.7(a) to 7.7(f) and clause 7.7(h).
- (j) The parties agree that where Rule 510 of the National Gas Rules ("Disputed statements of charges") applies to a dispute in relation to an invoice, that once the User has given a notice under rule 510(a) the parties will, during the following 10 business days (as that term is defined in the National Gas Rules) use their best endeavours to resolve the dispute including each attending such meetings as may be reasonably required by a party to resolve the dispute.

  - (A) 5 invoices within the required time limit for payment; or
  - (B) 3 consecutive invoices within the required time limit for payment; or

- (6) where the User purchases energy under an agreement from a person registered with AEMO under the National Gas Rules, and that person issues a notice of default to the User under that agreement,

provided that nothing in clause 7.8(a)(2) or 7.8(a)(3) shall permit the Service Provider to require a Bank Guarantee under clause 7.8(b) where the User has failed to pay the invoice or invoices or a relevant part of the invoices due to a bona fide dispute under clause 7.7.

- (b) The Service Provider may require the User to provide a Bank Guarantee to secure payment of the Charges and the User must provide the Bank Guarantee to the Service Provider within 7 days of receipt of notice from the Service Provider as to the amount of the Bank Guarantee required.
- (c) The amount of the Bank Guarantee will be determined by the Service Provider after having regard to the User's average monthly Charges and payment history, provided that the Bank Guarantee shall not exceed the Service Provider's reasonable estimate of three months average Charges (calculated by reference to a twelve month period) ("**Required Bank Guarantee Amount**") payable by the User under this Agreement.
- (d) The Service Provider may require the User to increase the amount of the Bank Guarantee where the Service Provider's reasonable estimate of three months average Charges, calculated by reference to the immediately preceding twelve-month period, is greater than the amount of the Bank Guarantee. The User must, within 10 Business Days of receipt of a request from the Service Provider, increase the amount of the Bank Guarantee to the amount calculated under this clause 7.8(d).
- (e) The User may request that the amount of the Bank Guarantee be decreased where the User's reasonable estimate of three months average Charges, calculated by reference to the immediately preceding twelve month period, is less than the amount of the Bank Guarantee. Where the Service Provider agrees that the amount of the Bank Guarantee should be reduced in accordance with this clause 7.8(e), the Service Provider must in conjunction with the User, do all things reasonably necessary to reduce the amount of the Bank Guarantee held by the Service Provider to the amount agreed by the Service Provider under this clause 7.8(e).
- (f) The Service Provider may present the Bank Guarantee for payment, in whole or in part, to the relevant bank to secure payment of the outstanding Charges where the User fails to pay the Charges invoiced by the Service Provider under clause 7.4 provided that the

- User has not paid the outstanding Charges within 7 days of the receipt by the User of a notice of default issued by the Service Provider under clause 12.2(a).
- (g) The User must within 7 days of the Service Provider informing the User in writing that the Bank Guarantee has been presented to the relevant bank for payment under clause 7.8(f), deliver to the Service Provider a further Bank Guarantee for the Required Bank Guarantee Amount in substitution for the Bank Guarantee previously provided by the User and which has been presented by the Service Provider to the bank for payment in whole or in part.
  - (h) Payment under the Bank Guarantee does not limit the Service Provider's rights under this Agreement or operate as a waiver by the Service Provider of the User's breach of this Agreement.
  - (i) No later than 90 Business Days after termination of this Agreement, if the Bank Guarantee has not been presented under clause 7.8(f) the Service Provider must return the Bank Guarantee to the User if there are no further Charges payable under this Agreement.
  - (j) At the end of 6 months after the date on which the Bank Guarantee was originally requested under clause 7.8(a), and at the end of any 6 month period thereafter (or as otherwise agreed by the parties), the User may request the release of the Bank Guarantee, and the Service Provider must release the Bank Guarantee, if the User shows that, at that date, none of the criteria identified in clause 7.8(a) apply; and
