Dear Dale,

In response to your feedback per your email dated 31 May 2019, enclosed is an update of the AEMO's National Electricity Law Section 59 Undertaking with a two year application, expiry date being 30 June 2021, for approval by Mr Chris Pattas under a delegation from the AER Board.

Confirming that we would appreciate to have the opportunity to review prior to publication, AER's high level statement detailing the reasons for the undertaking.

Also confirming that AEMO agrees to providing the AER with 6 monthly updates on its review relating to the pricing methodology to be developed.

Yours sincerely
