Dear Mr Bolding

APA Victorian Transmission System 2021 Gas Transmission Network Tariff Variation Proposal

The AER has considered this matter and decided, in accordance with the provisions of the APA Victorian Transmission System 2018–22 access arrangement, to approve APA's proposed tariffs for the period 1 January 2021 to 31 December 2021. The initial proposed tariffs were submitted to the AER on 23 October 2020. A revised submission updating estimated volumes and correcting a small error was provided on 12 November 2020.

The proposed tariffs are compliant with the APA Victorian Transmission System gas access arrangement 2018–22. A Statement of Reasons is attached; this Statement will be published on our website in the coming days, alongside this letter and the approved tariff variation proposal.

Should you have any queries, please contact Daniel Dale on 07 3835 4629.

Yours sincerely
