Dear 

**Extension of time limits for Australian Gas Networks (SA) (AGN(SA)) gas access arrangement review 2021–26**

The Australian Energy Regulator (AER) has published on its website AGN(SA)'s 2021–26 access arrangement proposal for its SA gas distribution network (on 10 July 2020) and our draft decision (on 27 November 2020). Stakeholder submissions have been invited.

Pursuant to rule 11(1)(c) of the National Gas Rules (NGR), the AER has made a decision to disregard the period allowed for submissions on the access arrangement proposal (10 July 2020 to 10 August 2020) and our draft decision (27 November 2020 to 17 February 2021), so that it is not counted towards the decision-making time for the full access arrangement final decision.

This notice is given pursuant to rule 11(2)(a) of the NGR. Notice will also be published on our website as required by rule 11(2)(b).

If you have any queries about this matter, please contact Adam Petersen on (08) 8213 3458.

Yours sincerely

Sebastian Roberts  
General Manager  
Transmission and Gas Branch
