Dear Mr Skinner

Re: Request for extension of time to submit cost pass through application

I refer to your letter of 24 March 2020, requesting an extension of time for Ausgrid to submit a natural disaster cost pass through application to the Australian Energy Regulator (AER) in relation to the 2019-20 New South Wales storms.

I am pleased to advise you that the AER has approved an extension under clause 6.6.1(k) of the National Electricity Rules, to allow any relevant pass through applications to be submitted no later than 1 August 2020.

Please contact [REDACTED], Senior Analyst on [REDACTED], should you wish to discuss further or if you have any queries in relation to the cost pass through application or process.

Yours sincerely

[REDACTED]
