Dear Mr Walsh

Re: Part 23 exemption – Bayu Undan to Darwin LNG Pipeline

I refer to your application dated 8 October 2019 for an exemption under Part 23 of the National Gas Rules (NGR) for Bayu Undan to Darwin LNG Pipeline.

The AER has assessed the application and supporting information and has determined:

To grant Bayu Undan to Darwin LNG Pipeline Category 1 and Category 2 exemptions.

The exemption expires on 1 March 2024.

ConocoPhillips is exempt from the operation of Division 3 and Division 4, and the obligation to publish information under Division 2 of Part 23 with respect to Bayu Undan to Darwin LNG Pipeline.

As set out in Rule 585(8) please notify the AER without delay if circumstances change such that the pipeline no longer qualifies for the exemption.

Rule 585 requires the AER to establish, publish and maintain a register of exemptions. Your application dated 8 October 2019, excluding items subject to confidentiality claims, will be published in the register.

Please do not hesitate to contact Ms Helen De Mamiel if we can be of further assistance ([helen.demamiel@aer.gov.au](mailto:helen.demamiel@ aer.gov.au), 02 9230 3859).

Yours sincerely
