Dear Simon

Transmission service standards review for 2016

I am writing to inform you of the outcome of our review of ElectraNet's performance against the transmission service standards performance incentive scheme (STPIS) for the 2016 calendar year.

As you are aware, STPIS Version 3 (March 2011) applied to ElectraNet during the period for the service component and market impact component, and version 4.1 (September 2014) applied for the network capability component. We conducted the annual compliance review in accordance with clauses 5.3 and 6.4 of the respective schemes.

Outcome of the 2016 compliance review
