S.O.W 9107  
DATE: 20/04/2016

**Andrew Hensman**

**APA Group**

1 Wood Street  
Thomastown VIC 3074

**P:** 0394 638 393 **F:** 0394 638 219 **M:** 0407 435 664  
**E:** [andrew.hensman@apa.com.au](mailto:andrew.hensman@apa.com.au)

We thank you for allowing us the opportunity to submit our proposal in relation to the Stairway System at  
**APA Group** - 2/566 Nurigong St, Albury NSW 2640

All systems Quoted are in accordance and compliant to the relevant Australian Standards. Please be sure to read all information carefully.

**System Benefits:**

- Made from Quality Stainless Steel & Aluminium Componentry
- Fully Modular Design, Onsite installation times/ Cost reduced
- Lightweight system, less load on building structure

**Out of Scope:**

- Construction of doorway from second floor is to be done by others

**Notes for Proposal:**

- Lead times approximately 10 -20 working days from Confirmation of purchase order
- Price includes freight
- All measurements are approximate or taken from construction drawings; if these change we are not held responsible
- Anchor Safe Systems Pty Ltd specialises in installing access systems in accordance with AS 1657, no guaranty can be given for fire escape compliance. It is suggested that a certified building inspector asses this situation.

**Terms:**

GST is not included in the above pricing and will be applied at the time of invoicing. This Quotation is current for 30 Days only, after which time it must be confirmed.
