Dear Mr Pattas

Victorian Transmission System – Reference tariff adjustment notification

Pursuant to section 4.7.5 of the Access Arrangement currently in place for the Victorian Transmission System (VTS), APA GasNet must make an initial notification to the Australian Energy Regulator (AER) of tariff adjustments to occur on 1 January 2016 at least 50 Business Days before the date of implementation of those adjustments.

APA GasNet submits this initial tariff adjustment notification in satisfaction of this requirement. **Attachment A** to this letter sets out initial reference tariffs calculated in accordance with the prevailing access arrangement. These tariffs are presented in tables that correspond to those in the access arrangement.

This tariff notification has been prepared prior to final winter demand figures coming available from the Australian Energy Market Operator, and prior to September quarter CPI values being released. APA GasNet intends to update this notification once this data becomes available.

Please contact Alexandra Curran, Regulatory Manager on 02 9275 0020 if you have any questions on this Reference Tariff Adjustment notice.

Yours sincerely

Peter Bolding
General Manager Regulatory and Strategy
