Dear Mr Anderson

ActewAGL Distribution 2016-21 Access Arrangement Revision Proposal

ActewAGL Distribution is pleased to provide the enclosed revised *Access Arrangement Revision Proposal and revised Access Arrangement Information* in accordance with the requirements of the *National Gas Law* and *National Gas Rules*, as well as our *Response to the draft decision*.

ActewAGL Distribution notes that the *National Gas Rules* provide process for dealing with commercially sensitive information. Please find attached a schedule which lists the confidential elements of ActewAGL Distribution's revised proposal. In keeping with public conduct of the access arrangement revision process, ActewAGL Distribution's *revised Access Arrangement Information* contains summaries and extracts of confidential elements as appropriate.

In delivering this revised submission, we invite the AER to meet with us on a number of issues including our revised proposal for capacity development and how we proceed with the Molonglo Primary and Molonglo Secondary projects and the AER's treatment of opex and the efficiency carryover mechanism. ActewAGL would welcome the opportunity to meet with the AER in Canberra or another location and our preference is to meet well in advance of our scheduled meeting with the AER Board on 25 February 2016.

Please contact ActewAGL's manager of gas regulation, Philip Deamer (philip.deamer@actewagl.com.au or phone 02 6248 3438) to discuss any aspects of our revised Access Arrangement proposal.

Yours sincerely

Michael Costello
Chief Executive Officer
