## Directors' Responsibility Statement

The directors of Powerlink Queensland hereby certify that:

- In accordance with schedule 6A.1.1(5), the key assumptions used in the capital expenditure forecasts are reasonable.
- In accordance with schedule 6A.1.2(6), the key assumptions used in the operating expenditure forecasts are reasonable.
- Capital and operating expenditure forecasts are based on the reasonably available information at the time of submission.
- The historic capital and operating expenditure information provided in support of this revenue proposal is drawn up to present fairly according to the AER's submission guidelines and cost allocation guidelines.
- All related party transactions are made on normal commercial terms and conditions and on an arms-length basis. These transactions are also consistent with Powerlink's Cost Allocation Methodology and are disclosed in the annual regulatory financial statements in accordance with the AER's Information Guidelines.
