OVERVIEW

In May 2016, the Australian Energy Regulator (AER) approved the access arrangement that will apply to the provision of gas network services by Evoenergy (formerly ActewAGL Distribution) from 1 July 2016 to 30 June 2021. The access arrangement describes the reference services that Evoenergy offers.

In line with the requirements of the access arrangement, reference tariffs from 2018/19 onwards are subject to annual variation of the access arrangement (reference tariff variation mechanism). Annual variations are subject to approval by the AER.

The ACT Queanbeyan and Palerang gas distribution network Access Arrangement 1 July 2016 – 30 June 2021 is available at <http://www.aer.gov.au/>
