Group Corporate Structure and Organisational Structure

2020-2025
Regulatory Proposal
January 2019

Corporate Structure

Under Schedule 1 30. Corporate Structure, 30.1 Provide charts that set out:

- (a) The group corporate structure of which SA Power Networks is a part; and
- (b) The organisational structure of SA Power Networks

SA Power Networks ownership and governance arrangements

SA Power Networks is a partnership which is 51 percent owned by Cheung Kong Infrastructure Holdings Limited and Power Assets Holdings Limited, which form part of the Cheung Kong Group of companies based in Hong Kong. The remaining 49 percent of the partnership is owned by Spark Infrastructure Group, a publicly listed infrastructure fund. Spark Infrastructure commenced trading on the Australian Stock Exchange in December 2005.

Under the Partnership Agreement, the partners delegate responsibility to the Board of Directors for the operation of the business. The partners have also established a separate company, Utilities Management Pty Ltd, to act as an agent of the partnership, engage the employees of the SA Power Networks business and provide general services to the partnership.

Organisational Structure
