Terminal Station Hazard Zones

## Hazard Zones

This document shows the zones in which there would be a hazard risk in the event of an explosive failure. This is provided for the following terminal stations for which major replacement projects or rebuilds are proposed in the 2017-22 regulatory period:

- West Melbourne Terminal Station
- Templestowe Terminal Station
- Fishermans' Bend Terminal Station
- Springvale Terminal Station
- East Rowville Terminal Station

The extent of the hazard zones is confidential as they cover public areas.

### 9.1 West Melbourne Terminal Station

[C-I-C]

### 9.2 East Rowville Terminal Station

[C-I-C]

**9.3 Fisherman’s Bend Terminal Station**

[C-I-C]

**9.4 Springvale Terminal Station**

[C-I-C]

9.5 Templestowe Terminal Station

C-I-C
