# **AusNet Electricity Services Pty Ltd**

## **Electricity Distribution Price Review 2016–20**

### **Confidentiality Response**

**Submitted: 30 April 2015**

## Attachment 1 - Confidentiality template

<p>Title, page and paragraph number of document containing the confidential information</p>	<p>Description of the confidential information.</p>	<p>Topic the confidential information relates to (e.g. capex, opex, the rate of return etc.)</p>	<p>Identify the recognised confidentiality category that the confidential information falls within.</p>	<p>Provide a brief explanation of why the confidential information falls into the selected category. If information falls within 'other' please provide further details on why the information should be treated as confidential.</p>	<p>Specify reasons supporting how and why detriment would be caused from disclosing the confidential information.</p>	<p>Provide any reasons supporting why the identified detriment is not outweighed by the public benefit (especially public benefits such as the effect on the long term interests of consumers).</p>
<p><b>Appendix 1C Related Party Arrangements Section 3</b></p>	<p>Commercial in confidence contract information</p>	<p>Capex and Opex</p>	<p>Market Sensitive cost inputs</p>	<p>This information contains details on current supplier's contracts</p>	<p>Disclosure will effect both supplier's market position and AusNet Services ability to obtain competitive prices in the future.</p>	<p>We consider there is little public benefit or consumer interest in supplier contracts details</p>

<p><b>Electricity Distribution Network: Information and Communication Technology Strategy CY2016 - CY2020</b></p>	<p>The Information and Communication Technology Strategy contains a future view of ICT Strategy; future plans, costs and timelines.</p> <p>The ICT function relies on resourcing from companies external to the organisation so disclosure of this information will impact future operations and</p>	<p>CAPEX</p>	<p>Market Sensitive Cost Inputs / Market Intelligence / Strategic Information</p>	<ul style="list-style-type: none"> <li>• The document identifies use of 3rd party vendors, organisations and software products used within AusNet Services.</li> <li>• The document identifies proposed costing and timings of future projects</li> <li>• The document identifies (to the general public) the location of critical equipment, data and staffs needed for the safe and reliable operation of AusNet Services distribution network (i.e. staff location, locations of data centre &amp; management assets</li> </ul>	<ul style="list-style-type: none"> <li>• Disclosure of this information to the general public conflicts with current contractual restrictions and represents potential breaches and penalties on admission.</li> <li>• All AusNet Services' IT projects are delivered by third party systems integrators therefore revealing project level budgeted costs and times may guide vendors to propose costs in alignments with these budgets. These impacts the fair and true submissions of future bid processes and will also impact the ability to provide</li> </ul>	<p>We believe there is not the requisite degree of public benefit in disclosing market sensitive costing/program and strategic information to customers and the third party supplier's competitors, which would outweigh the detriment to us and the third party supplier.</p> <p>Competitors of the supplier having access to the supplier's prices and timelines would distort the market and affect our ability to obtain competitive prices in future tender processes. It might also damage the third party supplier's position in a market in which that third party supplier competes.</p> <p>We believe disclosing asset and staff locations as a security risk</p>
---	--	--------------	---	--	---	---

	competitive pricing			etc.).	<p>value for money through competitive prices.</p> <ul style="list-style-type: none"> <li>Releasing this information exposes the network to an increased security risk which may result in safety and network supply implications. General references to geographic asset regions remains.</li> </ul>	
<p><b>AMP 2015-16 TO 2019-20 V1_0</b></p> <p><b>Sec 1 p6, Sec 7 p18, Sec 8 p20</b></p>	5-year total company forecast capex and opex	Capex & Opex	Other	<p>Forecasts of capital and operating expenditure are market sensitive for listed companies such as AusNet Services.</p>	<p>Disclosure of information in this manner could be detrimental to company. For example, disclosure of this information could affect capital raising.</p>	<p>Relevant Capex and Opex forecasts for the electricity distribution network are made available. There is no obvious public benefit in providing information unrelated to the regulated electricity distribution network.</p>

<p><b>AMS 01-01</b></p> <p><b>Sec 12.3.1 Pg 43</b></p> <p><b>Sec 14.3.1 Pg 53</b></p> <p><b>Sec 14.3.2 Pg 54</b></p> <p><b>Sec 14.3.2 Pg 56</b></p> <p><b>Sec 14.3.2 Pg 62</b></p> <p><b>Sec 14.3.3 Pg 65</b></p> <p><b>Sec 14.3.4 Pg 73</b></p>	<p>Contractors</p>	<p>Capex</p>	<p>Personal information</p>	<p>Information directly identifies contractors and their activities</p>	<p>Provision of this information could compromise competitive tender processes.</p>	<p>Provision of this information would not appear to be of any public benefit, but may compromise AusNet Services in future dealings contractors.</p>
<p><b>AMS 01-01</b></p> <p><b>Sec 14.3.2 Pg 54-63</b></p> <p><b>Sec 14.3.4 Pg 66-69</b></p> <p><b>Sec 14.3.4 Pg 71</b></p> <p><b>Sec 14.3.4 Pg 73</b></p>	<p>Employees</p>	<p>Capex</p>	<p>Personal information</p>	<p>Information directly identifies employees and their activities</p>	<p>It would be detrimental to employee relations to disclose employee related information</p>	<p>There would appear to be public benefit in disclosure of this information as the volume of expected activities to be carried out is available and only specific details of the employees have been removed.</p>

<p><b>AMS 20-14</b></p> <p><b>Sec 6.3.1 Pg 17</b></p> <p><b>Sec 6.3.2 Pg 17</b></p> <p><b>Sec 6.3.3 Pg 17</b></p> <p><b>Sec 8.1.3 Pg 26</b></p> <p><b>Sec 8.1.4 Pg 26</b></p> <p><b>Sec 8.1.5 Pg 27</b></p>	<p>Station Names</p>	<p>Capex</p>	<p>Information affecting the security of the network</p>	<p>The information may affect AusNet Services' ability to maintain secure sites.</p>	<p>Provision of this information has the potential to compromise security.</p>	<p>AusNet Services is obligated to maintain the safety and security of supply. There is no public benefit from compromising security.</p>
