MANAGING DIRECTOR, do solemnly and sincerely declare that:

[occupation]

1. I am an officer, for the purposes of the National Electricity (Victoria) Law (NEL), of AusNet Transmission Group Pty Ltd (ABN 78 079 798 173) (**AusNet Services**), a regulated network service provider for the purposes of section 28D of the NEL. I am authorised by AusNet Services to make this statutory declaration as part of the response of AusNet Services to the Regulatory Information Notice dated 1 September 2015 (**Notice**) served on AusNet by the Australian Energy Regulator (**AER**).
2. Subject to clause 4, I say that the actual information (as defined in the Notice) provided in AusNet Services response to the Notice is, to the best of my information, knowledge and belief:
 - (a) in accordance with the requirements of the Notice; and
 - (b) true and accurate.
3. Subject to clause 4, where it is not possible to provide actual information to comply with the Notice, AusNet has, to the best of my information, knowledge and belief:
 - (a) provided AusNet Services' best estimate of the information in accordance with the requirements of the Notice; and
 - (b) provided the basis for each estimate, including assumptions made and reasons why the estimate is the best estimate, given the information sought in the Notice.
4. Historical data required to be provided under the AER's regulatory template 7.7 (issued by the AER under the National Electricity Rules) titled 'failure of protection system' sub-parameter is not currently available to meet the definition of the Notice. By email correspondence between AusNet Services and the AER dated 15 October 2015, the AER has confirmed it is 'comfortable' to accept AusNet Services' available data for the purposes of this Notice. The declarations made in this document are subject to this exception.
