Dear Mr Pattas

**Ausgrid's Amended 2019-24 Tariff Structure Statement**

I am pleased to provide Ausgrid's Amended Tariff Structure Statement to the Australian Energy Regulator. This Tariff Structure Statement has been amended to include Embedded Network tariffs from 1 July 2020.

We are seeking the Australian Energy Regulator's approval to amend our Tariff Structure Statement for the 2019-24 regulatory period in accordance with clause 6.18.1B of the National Electricity Rules.

The Rules allow for Ausgrid to indicate the parts of our pricing proposal that we claim as confidential. We are claiming confidentiality on:

- Attachment 10.05 Tariff model (Standard Control Services)
- Attachment 10.10 Indicative pricing schedule – DUOS charges
- Attachment 10.11 Indicative pricing schedule – TUOS charges
- Attachment 10.13 Indicative pricing schedule – Climate Change Fund.

Should the AER have any questions in relation to this proposal, please contact Alexandra Sidorenko, Network Pricing Manager, on (02) 9269 4360.

Regards,
