**Subject:** Burwood Council Submission - Ausgrid Public Lighting Pricing Proposal 2104-19

Dear Mr Warwick Anderson,

This e-mail is to confirm that Burwood Council strongly supports the Australian Energy Regulator's (AER) position calling for a 20% cut in street lighting prices over the 5 year period from 2014-19. Burwood Council considers Ausgrid's overall position advocating for a 13% + CPI increase as non-realistic and strongly encourages the AER not to accept Ausgrid's proposal.

If further advice is required, please do not hesitate to contact me on the details below.

Regards

Robert Ristevski
