**Subject:** [REDACTED] 3 phase power upgrade southwest Victoria  
**Date:** Friday, 8 January 2021 4:35:19 PM

---

My name is Casey Taylor and I am a resident of the Great South Coast. We own a large landholding in the Portland/Heywood area.

I am aware of the proposal to upgrade the Tyrendarra , Starthdownie, Cape Bridgewater and Gorae West areas to three phase power and I fully support this initiative as it will be beneficial to our region as a whole through the economic and social flow on effects to other businesses and the wider communities.

Thank you for your consideration.
