**AER Annual Compliance Order Report for
Central Ranges Pipeline Pty Limited ACN 108 218 355
for the period from 1 July 2013 to 30 June 2014**

Introductory Statement

Central Ranges Pipeline Pty Limited ("CR Pipeline") is not aware of any breach of any of the obligations in the National Gas Law and National Gas Rules in relation to the Central Ranges Pipeline other than any that are detailed in this report.

CR Pipeline has maintained a compliance program during the relevant period that ensures that:

- (a) appropriate internal procedures have been established and maintained to ensure compliance with the obligations in the National Gas law and National Gas Rules;
- (b) the Board of Directors of CR Pipeline is made aware of any breaches of the obligations;
- (c) remedial action is taken as soon as possible to rectify any breaches of the obligations and that completion of this action is reported to the Board of Directors; and
- (d) the compliance program is reviewed regularly and as necessary.

It should be noted that the Central Ranges Pipeline Pty Limited also owns the Central Ranges Network, which is submitting a compliance order report similar to this compliance order report. In this report use of the term "CR Pipeline" refers to the company Central Ranges Pipeline Pty Limited whereas use of the term "Central Ranges Pipeline" refers to the physical regulated asset that is the Central Ranges Pipeline.

1. General duties for the provision of pipeline services of covered pipeline services by a service provider	
1.1 Legal entity	
(a) <i>Nominate the type of legal entity the service provider is according to the specified kinds of legal entity in section 131 of the NGL.</i>	Central Ranges Pipeline Pty Limited ACN 108 218 355 is a legal entity registered under the Corporations Act 2001 of the Commonwealth.
(b) <i>What is the registered business name and ABN of the service provider legal entity providing the covered pipeline service?</i>	The registered business name of the legal entity providing the covered pipeline service is Central Ranges Pipeline Pty Limited. The ABN is 38 108 218 355.
(c) <i>Provide an outline of the group structure which is controlled by or which the service provider is a part (including identification of the head company, nature of investment or entity, relationship to the service provider and proportion of assets owned/share of investment within the group). This should include any assets (businesses) it owns or that own it. The group structure should include business that are beneficially controlled such as trustee companies, jointly owned or operated</i>	The service provider is part of the APA Group. An outline of the APA group structure, showing the service provider, is provided in Appendix 1.

<i>business such as partnerships or joint ventures, businesses that are significant investments or controlled. This can also be represented as an organisational chart.</i>	
1.2 Preventing or hindering access	
(a) <i>Is the service provider aware of any claims that it has prevented or hindered access to services on the covered pipeline within the terms of section 133 of the NGL?</i>	The service provider is not aware of any claims it has prevented or hindered access to services on the covered pipeline within the terms of section 133 of the NGL.
1.3 Supply and haulage of natural gas	
(a) <i>Does a producer supply natural gas through the covered pipeline at a place other than the exit flange of the producer's processing plant?</i>	One or more of the users on the pipeline may be "producers" as that term is defined in the NGL. It is likely that those persons supply natural gas to other parties either at off-take points on the pipeline or through downstream distribution networks.
1.4 Queuing requirements	
(a) <i>Has the service provider complied with the queuing requirements of the applicable access arrangement during the year?</i>	The service provider has complied with the queuing policy requirements of the Central Ranges Pipeline Access Arrangement.
1.5 Service provider providing light regulation services must not price discriminate	
(a) <i>Does the service provider provide light regulation services?</i>	The service provider does not provide light regulation services.
(b) <i>If so, are there any differences in the prices of the provision of those services? Please provide an explanation as to why these price differences exist.</i>	Not applicable.
2. Structural and Operational Separation Requirements (Ring Fencing)	
2.1 Carrying on of a related business	
(a) <i>Provide a list of associates of the service provider that take part in a related business and for each associate describe what the nature of the related business is.</i>	A related business means the business of producing, purchasing or selling natural gas. APA's business model is based on owning and operating energy infrastructure, and the production, purchase and sale of natural gas is not part of its business model. Where this occurs, it is either incidental to APA's business or a legacy of businesses which have been acquired by APA. Central Ranges Pipeline's sole business is the ownership and operation of the Central Ranges Pipeline and the Central Ranges Network. CR Pipeline does not produce natural gas and does not purchase or sell natural gas other than for operational purposes. Central Ranges Pipeline does not have any Associates which take part in a related business other than the following associates:

- NT Gas Distribution Pty Limited - NT Gas Distribution Pty Limited (100 percent owned by APT Pipelines (NT) Pty Limited) operates as a bundled utility and therefore carries on a related business. The AER has granted a waiver to APT Pipelines (NT) Pty Limited in relation to the provision of services by the marketing staff of APT Pipelines (NT) Pty Limited to NT Gas Distribution Pty Limited;
- APT Facility Management Pty Ltd:
APT Facility Management Pty Ltd buys and sells gas for the purposes of co-generation and natural gas for vehicles. Gas for co-generation is purchased and sold in Queensland at Baillie Henderson Hospital (Toowoomba) and Toowoomba Base Hospital (Toowoomba).

APT Facility Management Pty Ltd also buys gas for natural gas vehicles Western Australia. The gas, once purchased, is compressed and sold as compressed natural gas to the bus operator at various bus depots.

APT Facility Management Pty Ltd bought natural gas in Western Australia and has contracted for a storage service at the Mondarra Gas Storage Facility in order to store this gas prior to its eventual resale. While stored in Mondarra, the gas can be used as additional base/cushion gas.
- APA Facilities Management Pty Ltd – APA Facilities Management Pty Ltd buys and sells gas for the purpose of supplying liquefied natural gas for vehicles and stationary applications (eg replacing diesel for power generation at remote mines) from Dandenong in Victoria. The gas, once purchased, is liquefied by a third party on APA's behalf and then sold by APA Facilities Management Pty Limited as liquefied natural gas to LNG customers who then deliver the product to their end users or distribution outlets (eg petrol stations). APA Facilities Management Pty Ltd holds an exemption from the retail regulations associated with the sale of LNG from the Dandenong facility.
- Diamantina Power Station Pty Limited (DPS), a 50% joint venture, purchases gas under a long term supply arrangement. Currently, this gas is on-sold to a major user for its tolling (electricity generation) purposes.

(b) <i>Provide a list of associates that are service providers and/or provide pipeline services.</i>	A list of relevant associates of the service provider is provided in a table in Appendix 2. This table outlines the nature of the associates' activities and whether they are service providers and / or provide pipeline services.
2.2 Marketing staff and the taking part in related businesses	
(a) <i>Provide a list of associates of the service provider that are directly involved in the sale, marketing or advertising of pipeline services.</i>	A list of relevant associates of the service provider is provided in a table in Appendix 2. This table outlines the nature of the associates' activities and whether they are involved in the sale, marketing or advertising of pipeline services.
(b) <i>Provide a statement as to whether or not any of the service provider's marketing staff are also officers, employees, consultants, independent contractors or agents of an associate of the service provider that takes part in a related business.</i> (c) <i>Provide a statement as to whether or not any of the service provider's officers, employees, consultants, independent contractors or agents are also marketing staff of an associate of the service provider that takes part in a related business.</i>	APA Group staff are employed in several subsidiaries. APA assigns staff to undertake sales, marketing and advertising activities for the Central Ranges Pipeline. The staff are located in APA's offices located in Sydney and Tamworth. These persons may be: - marketing staff of Central Ranges Pipeline (as they may be within the definition of "officers" or "agents" of Central Ranges Pipeline) and/or - marketing staff of an associate of Central Ranges Pipeline (as they may be employees of the associate and could also be within the definition of "officers" of the associate). None of Central Ranges Pipeline's marketing staff are officers, employees, consultants, independent contractors or agents or otherwise provide services to associates which take part in a related business. None of Central Ranges Pipeline's officers, employees, consultants, independent contractors or agents are marketing staff of an associate that takes part in a related business.
2.3 Separate accounts must be prepared, maintained and kept	
(a) <i>Provide a statement as to whether or not the service provider has prepared, maintained and kept a separate set of accounts in respect of the services provided by every covered pipeline owned or operated by the service provider.</i>	The service provider has prepared, maintained and kept a separate set of regulatory accounts in respect of the services provided by the Central Ranges Pipeline.
(b) <i>Name the legal entity or entities in which the separate accounts are reported, maintained or kept for the services provided by each covered pipeline owner or operator?</i>	The separate regulatory accounts are kept by Central Ranges Pipeline.
(c) <i>Provide a statement as to whether or not the service provider has prepared, maintained and kept a consolidated set of accounts in respect of the whole of the business of the service provider.</i>	A consolidated set of financial accounts has been kept in respect of the whole of the business of the service provider.

(d) <i>Name the legal entity in which the consolidated set of accounts are reported, maintained or kept for the services provided by each covered pipeline owner or operator?</i>	The name of the legal entity in which the consolidated set of financial accounts are kept in respect of the whole of the business of the service provider is the APA Group, which consolidates the accounts of companies within the APA family group of companies, notably the Australian Pipeline Trust and the APT Investment Trust.
(e) <i>Provide a copy of the most recently lodged annual financial reports with the Australian Securities and Investments Commission or if no such reports exists other similar audited financial reports prepared for or provided to a state or territory department, agency or body under relevant state or territory legislation. These financial reports may be the consolidated set of accounts in respect to the whole of the business of the service provider, and if also separately lodged with the Australian Securities and Investments Commission the most recently lodged annual separate set of accounts in respect of the services provided by the service provider.</i>	A copy of the APA Group annual financial reports lodged with the Australian Securities and Investment Commission are attached at Appendix 3. These include the annual financial report of the Australian Pipeline Trust and the APT Investment Trust. No separate financial reports for Central Ranges Pipeline have been lodged with the Australian Securities and Investment Commission since 2008.
2.4 Additional ring fencing requirements or exemptions	
(a) <i>Does the service provider have any additional ring fencing requirements?</i>	The service provider does not have any additional ring fencing requirements.
(b) <i>What are these requirements?</i>	Not applicable.
(c) <i>Provide a statement that these additional ring fencing requirements have or have not been met.</i>	Not applicable.
(d) <i>Does the service provider have any exemptions for the minimum ring fencing requirements?</i>	The service provider does not have any exemptions for the minimum ring fencing requirements.
(e) <i>What are these exemptions?</i>	Not applicable.
(f) <i>By what jurisdictional regulator and when where these exemptions granted?</i>	Not applicable.
2.5 Associate contracts <i>Note: An 'associate contract' is defined under the NGL to include arrangements or understandings and is not limited to written contracts.</i>	
(a) <i>Has the service provider entered into or given effect to any new associate contracts, or varied the terms and conditions of an existing associate contract?</i>	The service provider has not entered into, or given effect to, any new associate contracts, or varied the terms and conditions of any existing associate contract.
(b) <i>For each new or varied associate contract, please indicate the date the new or varied associate contract was entered into or given effect?</i>	Not applicable.
(c) <i>For each new or varied associate contract, please indicate if the contract or variation was approved by the AER and the date that it was approved?</i>	Not applicable.

(d) <i>If the associate contract was not approved by the AER, please indicate what date the new or varied associate contract was provided to the AER?</i>	Not applicable.
3. Other requirements	
3.1 Making access arrangement or terms and conditions of access available	
(i) Ensuring applicable access arrangement and other specified information is available on website.	
(a) <i>Has the service provider published the approved access arrangement on its website?</i>	The service provider has a competitive tender process access arrangement in place for the covered pipeline. See (ii) (a) below.
(b) <i>Please provide the website address where this access arrangement can be accessed and the date that this access arrangement was provided on the website.</i>	The service provider has a competitive tender process access arrangement in place for the covered pipeline. See (ii) (b) below.
(c) <i>Has the service provider received any requests from the AER to provide to prospective users generally other information specified as reasonably necessary to determine if access should be sought.</i>	The service provider has not received any requests from the AER to provide to prospective users other information specified as reasonably necessary to determine if access should be sought.
(d) <i>Please provide details of when and how this request was met.</i>	Not applicable.
(ii) Publishing approved competitive tender process access arrangement

3.3 Confidentiality	
(a) <i>Provide a statement that the confidentiality requirements under rule 137 of the National Gas Rules have or have not been met.</i>	The confidentiality requirements under rule 137 of the National Gas Rules have been met. The service provider did not disclose relevant confidential information or use relevant confidential information for a purpose other than the purpose for which the information was given to the service provider. The service provider took all practicable steps to protect relevant confidential information in the service provider's possession against improper disclosure or use.
(b) <i>Has the service provider established an internal protocol or policy guideline or procedure manual for the handling of confidential information?</i>	CR Pipeline is part of the APA Group. Employees of APA who are involved with the Central Ranges Pipeline have been informed of their obligations with respect to confidential information. Quarterly compliance reviews reinforce awareness of this obligation. Employees are required to sign confidentiality agreements upon commencement and standard employment contracts contain confidentiality obligations. APA has also required contractors having access to Confidential Information to observe the requirements of the NGL in relation to such Confidential Information. APA monitors compliance performance, including compliance with confidentiality obligations, quarterly. This monitoring is undertaken by the General Manager Regulatory and Strategy, and relevant commercial personnel associated with the assets. The results are reported to the Board. More generally all APA employees are required to comply with the APA Code of Conduct, which explicitly addresses appropriate treatment on confidential and proprietary information, including customer information.

	Employee's employment agreements also include conditions relating to confidentiality. In addition access to APA computer systems is through individual passwords and user names. Passwords are changed at periodic intervals. Firewall protection is in place to prevent unauthorised access to electronically stored information via the internet. APA offices are secured.
