Dear Ms Toth

### **Click Energy Pty Ltd application for gas retailer authorisation**

I am writing to inform you that the Australian Energy Regulator (AER) has approved Click Energy Pty Ltd's (ACN 116 567 492) application for a gas retailer authorisation in accordance with s.92 of the *National Energy Retail Law (Retail Law)*.

The AER must grant an application for a retailer authorisation if an applicant has satisfied the entry criteria:

- a) the organisational and technical capacity criterion—the applicant must have the necessary organisational and technical capacity to meet the obligations of a retailer;
- b) the financial resources criterion—the applicant must have resources or access to resources so that it will have the financial viability and financial capacity to meet the obligations of a retailer;
- c) the suitability criterion—the applicant must be a suitable person to hold a retailer authorisation.<sup>1</sup>

On 24 March 2016, the AER considered Click Energy's application for a gas retailer authorisation. In making its decision the AER is guided by the objective of the *Retail Law*.<sup>2</sup> The AER's decision is also informed by the assessment approach outlined in the AER's *Retailer authorisation guideline*. The AER has consulted on Click Energy's application but did not receive any submissions.<sup>3</sup>

<sup>1</sup> Retail Law, s. 90(1).

<sup>2</sup> The national energy retail objective is to 'promote efficient investment in and efficient operation and use of energy services for the long term interests of energy consumers with respect to price, quality, safety, reliability and security of supply of energy' (Retail Law, s. 13).

<sup>3</sup> Retail Law, s. 91.

The AER considers that Click Energy has demonstrated its capacity and suitability to operate as an energy retailer under the *Retail Law*. Click Energy is therefore authorised to sell gas under the *Retail Law*, as it is adopted in each participating jurisdiction.

Please note that this letter constitutes the AER issuing Click Energy's gas retailer authorisation under s. 96 of the *Retail Law*. Click Energy's gas retailer authorisation identification number is **G12010**.

The AER will publish a notice about Click Energy's gas retailer authorisation on its website,<sup>4</sup> and Click Energy's details will also appear on the AER's public register of authorised retailers (on the AER's website).<sup>5</sup>

If you have any further queries, or would like to discuss this further, please contact Susan Faulbaum on 08 8213 3463.

Yours sincerely
