

Confidentiality template in respect of United Energy Ring-fencing Waiver Application dated 12.10.20

Page(s) and sections of application	Description of the confidential information.	Topic the confidential information relates to (e.g. capex, opex, the rate of return etc.)	Identify the recognised confidentiality category that the confidential information falls within.	Provide a brief explanation of why the confidential information falls into the selected category. If information falls within 'other' please provide further details on why the information should be treated as confidential.	Specify reasons supporting how and why detriment would be caused from disclosing the confidential information.	Provide any reasons supporting why the identified detriment is not outweighed by the public benefit (especially public benefits such as the effect on the long term interests of consumers).
3 (Section 1), 5 (Section 2), 7-8 (Sections 2.2 and 2.3), 14 (Section 4.3)	Information regarding United Energy's interactions with retailers, including the participation of retailers in the pilot and competitive expression of interest process run for the purposes of the trial and negotiations with the retailer partner in relation to the trial	N/A	Market sensitive cost inputs Strategic information	The information relates United Energy's interactions with retailers, including in competitive processes.	This information is confidential to third parties (retailers). Disclosure of the information, in circumstances where contractual arrangements for the trial have not been finalised and are subject to further negotiation, may harm future competitive processes.	There is no benefit from disclosing the information or detriment from not disclosing it. Withholding the information does not prevent interested parties from understanding or making submissions on the ring-fencing waiver application.
3-5 (Section 1), 6 (Section 2), 10 (Section 3.1), 11 (Section 3.3)	Information regarding the position of the Australian Renewable Energy Agency	N/A	Other	United Energy understands that ARENA is highly sensitive to the disclosure of information of this kind prior to the	The information is confidential to a third party (ARENA) and United Energy is not in a position to	There is no benefit from disclosing the information or detriment from not disclosing it. Withholding the information does not prevent interested parties from understanding or

	(ARENA) in relation to United Energy's application for funding			entry into any final arrangements for funding.	authorise its public disclosure.	making submissions on the ring-fencing waiver application.
8-9 (Section 2.4)	Expected costs and funding of the trial	N/A	Market sensitive cost inputs Strategic information	The information pertains to the expected costs and funding of the trial, including the expected costs of United Energy and the retailer partner.	The information reflects information confidential to third parties (the retailer partner and third party suppliers). Disclosure of the information, in circumstances where contractual arrangements for the trial have not been finalised and are subject to further negotiation, may harm future competitive processes.	There is no benefit from disclosing the information or detriment from not disclosing it. Withholding the information does not prevent interested parties from understanding or making submissions on the ring-fencing waiver application.
