30 June 2009

Mr Mike Buckley  
General Manager, Network Regulation North Branch  
Australian Energy Regulator  
23 Marcus Clarke Street  
Canberra ACT 2601

Dear Mr Buckley

***ActewAGL Distribution Access Arrangement Revision Proposal  
for the 2010-15 Access Arrangement Period.***

ActewAGL Distribution is pleased to provide the enclosed *Access Arrangement Revision Proposal* and *Access Arrangement Information* in accordance with the requirements of the *National Gas Law*, *National Gas Rules* and the Regulatory Information Notice (RIN), served by the Australian Energy Regulator on 11 May 2008.

The *Revision Proposal* contains information and documentation requested in Attachment 2 of the RIN. ActewAGL Distribution also maintains at its premises information listed in Attachment 2 of the RIN to be made available on request.

ActewAGL Distribution notes that the *National Gas Rules* provide a process for dealing with commercially sensitive information. Please find attached a schedule which lists the confidential elements of ActewAGL Distribution's proposal. In keeping with the public conduct of the access arrangement revision process, ActewAGL Distribution's *Access Arrangement Information* contains summaries and extracts of confidential elements as appropriate.

Please contact David Graham, Director Regulatory Affairs and Pricing, on (02) 6248 3605 to discuss any aspects of our *Access Arrangement Revision Proposal*.

Yours sincerely

Michael Costello  
Chief Executive Officer
