Dear Chris:

**Directlink Interconnector revenue proposal - errata**

On review of the Directlink revenue proposal lodged on 02 June 2014, it has come to ur attention that Table 4.1 in the submission document is incorrect. The corrected table is presented below.

*Table 4.1 – Historical capital expenditure*

F/Y ending June (\$000 nominal)	2011	2012	2013	2014E	2015F
Regulatory Allowance	0	0	0	0	0
Actual Expenditure (as incurred)	2,105	1,639	704	3,679	3,030
Difference	2,105	1,639	704	3,679	3,030

The corrected table agrees to the Roll Forward model and the Directlink RIN templates.

We would be pleased to discuss this matter at your convenience. Please feel free to contact me on (02) 9275 0031, or by email at [scott.young@apa.com.au](mailto:scott.young@apa.com.au).

Yours faithfully

Scott Young  
Regulatory Manager
