Dear Mr Roberts

### **Letter of support to SA Power Networks – upgrade worst performing feeders**

I advised council of information provided by SA Power Networks that power lines identified as Maggea 19kV SWER (Waikerie WK91), Holder 19kV SWER (Waikerie WK44) and Bungunnia 19kV SWER (WK 12) located within our district are two of the worst performing feeders in South Australia.

Council noted this issue is about provision of power, not cost and formally endorsed its support to SA Power Networks in their application to upgrade these power lines.

Yours sincerely

**Mayor Leon Stasinowsky**
