

NATIONAL ELECTRICITY RULES

EXTENSION OF TIME LIMIT UNDER CLAUSE 6A.8.2(i)

TO: ElectraNet Pty Ltd (ACN 094 482 416)

52-55 East Terrace
ADELAIDE SA 5000

In assessing the contingent project application concerning the Heywood Interconnector Upgrade that ElectraNet Pty Ltd (**ElectraNet**) submitted to the AER under clause 6A.8.2(a) of the National Electricity Rules on 13 December 2013 (**contingent project application**), the AER has decided to extend the time limit by when the AER must make its decision by 30 business days in accordance with clause 6A.8.2(i) of the National Electricity Rules.

The AER will now make its decision on ElectraNet's contingent project application by 31 March 2014.

Dated this 24th day of January, 2014

Andrew Reeves
Chairman
on behalf of the
Australian Energy Regulator
