

31 January 2023

Dr Kris Funston
Executive General Manager, Network Regulation Division
Australian Energy Regulator
GPO Box 3131
Canberra ACT 2601

By email: AERresets2024-29@aer.gov.au

Dear Dr Funston

Evoenergy 2024–29 Reset Regulatory Information Notice

Evoenergy is pleased to submit the information specified in the Australian Energy Regulator's (AER's) Reset Regulatory Information Notice (RIN) dated 26 October 2022.

The response consists of the following documents.

- A document indicating where and how Evoenergy has addressed requirements outlined in the Reset RIN – *Evoenergy-RIN Appendix 1 Compliance with Reset RIN-January 2023_Public*
- Populated regulatory templates (provided as separate MS Excel formatted files).
 - Evoenergy-RIN Appendix 2 Final RIN – Workbook 1 - Forecast data-January 2023_Public
 - Evoenergy-RIN Appendix 3 Final RIN – Workbook 2 - Historical data-January 2023_Public
 - Evoenergy-RIN Appendix 4 Final RIN – Workbook 3 - EBSS-January 2023_Public
 - Evoenergy-RIN Appendix 5 Final RIN – Workbook 4 - CESS-January 2023_Public
 - Evoenergy-RIN Appendix 6 Final RIN – Workbook 5 - Indicative Bill Impact-January 2023_Public
- A statutory declaration signed by the Chief Executive Officer.

Please contact [REDACTED] Group Manager Strategy and Operations on [REDACTED] to discuss any aspect of Evoenergy's response to the Reset RIN.

Yours sincerely
