**Subject:** Support for SSROC submission concerning proposed 2015-2019 Public Lighting Proposal

Mr. Warwick Anderson

General Manager – Networks Branch Australian Energy Regulator

Dear Mr. Anderson

I have been asked to convey to you that Hornsby Shire Council fully supports SSROC's submission of 13<sup>th</sup> February 2015 concerning Ausgrid's proposed 2015-2019 Public Lighting Pricing Proposal. The submission clearly points out there is a substantial gap between Ausgrid's claims and information that SSROC has presented. Council requests that AER fully consider all the points raised by SSROC in reaching a decision on the Ausgrid pricing proposal.

Please do not hesitate to contact me to discuss the matter.

Regards,

**Robert Stephens**
