Dear 

Extension of time limits for Evoenergy's gas access arrangement review 2021–26

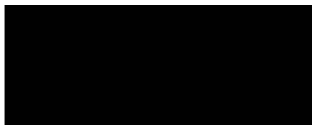

The Australian Energy Regulator (AER) has published on its website Evoenergy's 2021–26 access arrangement proposal for its gas distribution network across the ACT and Queanbeyan-Palerang region (on 10 July 2020) and our draft decision (on 27 November 2020). Stakeholder submissions have been invited.

Pursuant to rule 11(1)(c) of the National Gas Rules (NGR), the AER has made a decision to disregard the period allowed for submissions on the access arrangement proposal (10 July 2020 to 10 August 2020) and our draft decision (27 November 2020 to 17 February 2021), so that it is not counted towards the decision-making time for the full access arrangement final decision.

This notice is given pursuant to rule 11(2)(a) of the NGR. Notice will also be published on our website as required by rule 11(2)(b).

If you have any queries about this matter, please contact Slavko Jovanoski on (02) 9230 3899.

Yours sincerely

Sebastian Roberts
General Manager
Transmission and Gas Branch
