Dear Mr Roberts,

REVIEW OF THE REGULATORY TEST - SUBMISSIONS TO THE DISCUSSION PAPER

Among the submissions published on your website in relation to the review currently being conducted by the Commission of the National Electricity Code is one from Mr and Mrs Benson of 27 Equestrian Drive, Maudsland on the Queensland Gold Coast hinterland.

The submission contains a number of serious factual inaccuracies, as well as a number of serious allegations against Powerlink, including accusations of impropriety. We take issue with a large number of the matters raised in the submission, and are currently compiling a detailed reply. That reply will be sent to you shortly. In the meantime, we would appreciate it if you added this letter to your website.

Yours sincerely,

Gordon H. Jardine
CHIEF EXECUTIVE
