Roma Brisbane Pipeline

Financial years 2023-27 access arrangement proposal: Confidential information

Roma Brisbane Pipeline Confidential Information

Title, page and paragraph number of document containing the confidential information	Description of the confidential information.	Topic the confidential information relates to (e.g. capex, opex, the rate of return etc.)	Identify the recognised confidentiality category that the confidential information falls within.	Provide a brief explanation of why the confidential information falls into the selected category.  If information falls within 'other' please provide further details on why the information should be treated as confidential.	Specify reasons supporting how and why detriment would be caused from disclosing the confidential information.	Provide any reasons supporting why the identified detriment is not outweighed by the public benefit (especially public benefits such as the effect on the long term interests of consumers).
RBP Revised Proposal Document, January 2022. (Filename: RBP Access Arrangement Revised Proposal - 200114 - Public) <ul style="list-style-type: none"> <li>• Executive summary (pp. 9)</li> <li>• Section 5.2.1 (pp. 36–37)</li> <li>• Section 5.2.2 (p. 37, 38)</li> <li>• Section 5.3.2 (p. 42)</li> <li>• Section 5.3.4 (p. 49)</li> <li>• Section 5.3.5 (p. 50, 51)</li> <li>• Section 6.2 (p. 54)</li> </ul>	References to tariff treatment and demand of an individual customer on the RBP	Prudent Discount and Forecast Demand	Other.	The overview combined with material in the PTRM and Reference Tariff Model reveals commercially confidential information for a single customer.	Disclosure of this information could be detrimental to the commercial interests of that customer in the broader gas market.	The detriment to the customer would be material and significant. The benefit from revealing this would be non-specific.
