

Attachment 1 - Confidentiality template

Title, page and paragraph number of document containing the confidential information	Description of the confidential information.	Topic the confidential information relates to (e.g. capex, opex, the rate of return etc.)	Identify the recognised confidentiality category that the confidential information falls within.	Provide a brief explanation of why the confidential information falls into the selected category. If information falls within 'other' please provide further details on why the information should be treated as confidential.	Specify reasons supporting how and why detriment would be caused from disclosing the confidential information.	Provide any reasons supporting why the identified detriment is not outweighed by the public benefit (especially public benefits such as the effect on the long term interests of consumers).
<p>Cost estimating, unit rates & program delivery</p> <p>Unit cost information in the 'Rate' columns of the following tables</p> <p>Tables 1 Pg 8</p> <p>Tables 3 Pg 11</p>	<p>Cost related information</p>	<p>Capex</p>	<p>Market sensitive</p>	<p>The cost information may affect AusNet Services' ability to obtain a competitive price in future infrastructure transactions, such as tender processes for projects</p>	<p>Provision of this information will compromise competitive tender processes.</p>	<p>It is in consumer's interest to deliver projects at the lowest possible cost. Provision of cost information compromises AusNet Services' ability to source these services competitively.</p>
